Terms and Conditions

1. Conditions

The conditions set out below shall apply and are incorporated into any Hire Contract for the hire and/or sale of goods ("Equipment") between Upper Hutt Hire Limited (the "Owner") and the person or entity hiring or buying the equipment ("Hirer"). The Hirer agrees to abide by the terms and conditions as set out below. If the Hirer is not an individual, the person signing the Hire Contract warrants that they have the authority to bind the Hirer in contract.

2. Delivery and removal of Equipment

The Hirer authorises the Owner to bring its vehicle onto his property to deliver and to recover the equipment at the end of hire. The Owner shall not be responsible to the Hirer nor third parties for any damage that may be done to driveways or underground services by any reason of the weight of the vehicle. Request for collection must be made by telephone when the Hirer has finished with the equipment and not by prior arrangement. Always ask for a pick-up number. All cartage charges are to be paid by the Hirer. Equipment must be free of extraneous dirt, packed up, ready for loading, and assistance rendered to the Owner's driver if more than one person is required to load it. THE HIRER MUST OBTAIN AN OFF-HIRE NUMBER WHEN TERMINATING HIRE. The hirer is still responsible for equipment until picked up from site by the Owner.

3. Hire Period

(a) The hire period shall commence and expire as stipulated on the hire contract or the time that the equipment leaves the Owner's premises. By the expiry time/date the equipment is to be delivered back to the Owner's premises unless agreed otherwise in writing. For every hour over the expiry time ending, the Owner has the right to charge you default interest from your bond at a rate of 5% on the value of payment or the next hire amount according to the Owner's pricelist.

(b) Unless agreed in writing otherwise, equipment is hired out on a daily rate (including weekends and public holidays).

(c) A 'day' is deemed to be 8 hours between the times of 8am to 5pm and a 'half day' is deemed to be no more than 4 hours or overnight if the hire period is between 5pm and 8am. The 'daily rate' shall apply to a day hire and one-week hireage is deemed to be 7 full days.

(d) Hiring commences at the time shown on the face of this form which is the time the equipment leaves the Owner's store. The hiring shall terminate at the time stated by the Hirer on the hire contact. By that time the equipment is to be delivered back into the Owner's store by the Hirer or following collection by the Owner's vehicle at the Hirer's request.

(e) The hire period shall be for a maximum time of 364 days.

4. Owner's Right to Hire

(a) The Owner may terminate the hire at any time without reason by giving the giving the Hirer 12 hours written notice. Such notice may be given either by personal delivery or by post to either the job address or any other address of the Hirer specified on the face of this agreement, or by phone call or text or by email to the Hirer's last known email address. In the case of notices posted to the Hirer the period of notice shall commence to run from the time at which the notice would have been delivered in the ordinary course of the post. The Owner shall not be responsible to the Hirer for any loss arising as a result of such termination.

(b) Notwithstanding termination of the hiring the Hirer shall be obliged to pay the Owner a sum equivalent to hire fees at the rate specified herein in respect of any period from the date of termination of the hiring until the equipment is actually returned to the Owner's store.

5. Hiring Charges

(a) In the absence of any special arrangements to the contrary equipment is hired on a daily rate including Saturday, Sunday and public holidays.

(b) Minimum rates apply when the term of the hire is not greater than 4 hours during our normal business hours.

(c) The hire period is based on the time the equipment is uplifted until the time the equipment is returned or advised for pickup, not the time for which the equipment is used.

(d) If the Hirer cancels a hire booking, the Owner reserves the right to charge a non-refundable hire fee equal to 50% of the Balance Due set out on the Hire Contract, so as to compensate in part for any other booking enquiries that may have been declined.

6. Payment

(a) Unless the Hirer operates a credit account with the Owner a bond is required before hiring commences which will exceed the estimated total charges and an appropriate refund will be made to the Hirer on return of the equipment in good order and condition. Should total charges exceed the amount of the bond the balance is payable by the Hirer promptly to the Owner on return.

(b) Immediately on request by the Owner the Hirer shall pay:

(i) All the costs associated with the use of the equipment, and

(ii) The cost of fuels and consumables provided by the Owner, and

(iii) The full cost of repairing any damage to the equipment caused or contributed to by the customer unless expressly agreed otherwise in this contract, and

(iv) All taxes including GST, tolls, fines, penalties, levies or charges payable in respect of this contract and arising from the Hirer's use on the equipment, and

(v) All costs incurred by the Owner in recovering possession of the equipment.

(e) Where an account is overdue the Owner reserves the right to reverse any previously agreed discount to the Hirer.

(f) Without limiting the ability of the Owner to recover all amounts owing to it the Hirer irrevocably authorises the Owner to charge any amounts owing by the Hirer to any credit card or bank account details of which are provided to the Owner.

(g) The Owner reserves the right to set a credit limit and payment terms and charge credit card fees related to the payment of accounts.

(h) No credit shall be extended on overdue accounts.

(i) The Hirer reserves the right to appoint a third party to collect any overdue payments, and any collection costs shall be at the Hirer's account.

(j) No claim for credit will be recognised after one month of the date of invoice.

7. Care of Equipment and Breakdowns

In the event of the equivalent being lost on hire to the Hirer then the Hirer shall pay to the Owner a sum equivalent to the cost of replacing the equipment as lost. This obligation is subject to Condition 10 as applicable.

(c) It is the Hirer's responsibility to satisfy himself that the equipment is suitable for the work intended and that it is used in a way that complies with all statutory requirements.
